

My Story, My Totem

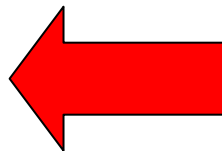

This is the South Carolina state flag. I was born and raised in SC, and it will always hold a special place in my heart. No matter where I live, SC will be my home.

My girlfriend, Rachel is an incredible person. She is the most caring, giving and happy person I know. It always amazes me all that she's been through, yet continues to save the world.

I was heavily involved in refereeing at all levels. Soccer allowed me to travel to places I had never been and to meet a wide range a new people from all over world. I think that soccer opened the world to me.

My family is the foundation of my totem pole. They are extremely important to me, and I love them all very much. I know that no matter what is going on in my life they will always be there for me.
